

Our village provides us all with a beautiful place to call home... but part of what makes the village so special – its local businesses – are at risk! Your village needs you in its time of need...

Use your local businesses, or we might lose them!
Here are some very good reasons for 'supporting local':

Our Post Office

We still have one but they are being closed in many rural areas. It is a lifeline to many for pensions, paying bills, photocopying, travel money and much more... and it sells great cards, stationery and gifts.

Our Pubs

We have two great pubs, with excellent food for all occasions, great drinks and skittle alleys, not to mention beer gardens with superb views.

Leave the car at home and really let your hair down!

Our Shop

Our village shop is great for all those things you run out of. It has a wonderful butchery and bakery and croissants to rival the French! Watch out for real bargains in the 'pound zone'. Buy your news paper and don't forget the Off Licence section.

DIY projects at home?

Bartletts sells all kinds of hardware. Why waste petrol going to Poole or Blandford?

Our Hairdressers

We have an excellent hairdressers in our village...for men and women. Why waste time travelling to nearby towns, when you can walk to ours?

Our Farm Shop

The Rye Hill Countrystore sells animal and pet feeds and supplies at competitive prices and free home delivery is available to anyone living in the village.

Our Café and Tearoom

The Rye Hill café and tearoom is a great place for a relaxing tea or coffee and cake. Enjoy the amazing views while you are there.

Our Sports Club is the sporting focal point of the village –with a great playing field for junior and adult football and cricket ... a perfect setting for spectators, too.

You will also find a vibrant clubhouse with a big screen for Sky Sports events – all within the village.

Our Golf and Country Club

Just outside the village the club offers far more than just golf – a great restaurant and bars, open to all, a gym and even indoor bowls ...

... you can be as energetic (or not) as you wish!
